Just let me know when you have a minute And I'll give you a call... Nothing I have to say to you should elicit anything but, a sense of ease...
All my love and profound apologies...
J.

Yes, but I'm scared and sad and want to be alone and in a quiet place to talk.
Are you okay if I wait til I get home to call??
I know you're busy so please tell me if that's okay??
I can text you when I'm there

You fell asleep earlier while we were talking....
I checked with security to check on you to see if you were okay..
Hope you get some rest.
Can we please talk later ?
